Entry Criteria

Entries for the **Top 50 SME Apprenticeship Employers** were open to small & medium-sized apprenticeship employers with 10-249 employees and a minimum of 3 apprentices. Entries opened on 6th February and closed on 12th April 2024. Each employer entering for the rankings provided three key pieces of data – the number of apprentices that started a new apprenticeship with the employer from 1st April 2023 to 31st March 2024, the diversity of these new apprentices, and the number of apprentices that successfully completed apprenticeships during the year. Employers' entry data was independently verified, weighted according to the size of the employers' workforce, and then scored, in order to calculate the 2024 rankings.
